

Calendar Competition

We are looking for photos to appear in a 2020 calendar to raise funds for the Orwell & Portmoak Buildings Improvement Project. There are three age categories for the competition:

- 12 years and under
- 13 to 17 years
- 18 years +

The theme of the calendar is our local area.

So you could enter photos of buildings, the countryside, plants, animals or birds from around the area

The main rule is you must have taken the photos by yourself.

All the photos entered will be displayed and visitors to a photography exhibition will vote for their favourite pictures. The photos with the most votes in each age group will appear on the calendar.

The full details of the competition are now on our website — www.orwellportmoakchurch.org.uk

The closing date will be at the end of August so get out there and get snapping!
