

Orwell & Portmoak Buildings Improvement Project

Thank you for the feedback regarding the planned improvements at Orwell. Your suggestions and ideas have been collated and the architect is currently working on updating the plans.

Good news!

We have obtained the promise of £140,000 towards the project from the Arthur and Margaret Thompson Trust.

If you would like to contribute to the project by collecting all that annoying loose change that weighs down purses and pockets, please take one of the

Change for Church boxes

available at the church door.

Return to the church or church office when full.

Many thanks for your support.
